DAY 1

We went to school with my guest Dominik. We met many new faces. There were students from Bulgaria, Italy, Poland, Slovakia, Greece, Spain and Turkey. We watched presentations about our guests history, education systems and folklore. At twelve o'clock we had lunch. Then the teachers divided us into teams, each team had to make a poster about one country from the project. I was in team which was for Greece. After this activity we went to the centre and played 8 pool with our new friend from abroad.

DAY 2

The second day we had a journey. We visited Lovetch, Veliko Turnovo and Troyan Monastery. We departed from Pleven at eight o'clock. After half an hour we arrived at Lovech and visited the covered bridge and listened about the history of Lovech. Our next destination was Veliko Turnovo the old capital of Bulgaria. There we saw the church “St. 40 Martyrs” and the fortress “Tsarevets”. Then we had lunch at a restaurant called “EGO”. Our final stop was “Troyan Monastery”, then we came back to Pleven.

DAY 3

The third day I and my friend Kircho had to presented a Bulgarian spring holiday and traditions. After this activity there was an exhibition and contest fot the most original martenitsa. Then we entred an English lesson to show our forgein guest what we make at class. There was a journey to Panorama one of our biggest landmarks. In the Panorama we listened to a discourse about the liberation of Pleven. Our last activity for the day was the visit of the Wine museum. At the end of the day we went to play bowling.

DAY 4

On the fourth day we had a journey to Sofia. We departed from Pleven at half past seven. First we visited the cathedral temple "St. Alexender Nevski". Then we visited landmarks at Sofia center. Ater the guided walk we went to eat to the nearest mall and drove bumping cars. The next stop was the National Historical Museum. On the road to Pleven we saw the historical bridge over the Vit river and came back to Pleven.

DAY 5

The fifth day was the funniest. Early in the morning we went to play footbal. I then we went to the mall and had lunch. At twelve o'clock we had to go to school for the photo contest and to be awarded for that we had part in the project. When we finished that we took a walk around Pleven. At seven o'clock we went to a restaurant where we took dinner and listened and dance all evening. After this the next day we said goodbye to our guests.
